

## **CAN A WEDDING PLANNER HELP YOU?**

### **Time**

A wedding can take considerable time to plan and organize, on average between 100 and 200 hours.

With more than seven years experience planning weddings our experience enables us to know the suppliers that provide the best service suited to your requirements and/or budget. More importantly, those suppliers who have consistently performed and are well recognized for being leaders in their fields.

The fee you pay for planning and co-ordination assistance may be considerably less than the value of your time.

### **Piece of mind**

By involving our wedding planner you can be assured of quality from our suppliers and have the comfort of knowing there will be no surprises on the day.

### **Weddings can be expensive**

With our experience comes knowledge as to which service providers will be best suited to your requirements and/or budget. Understanding that most weddings have budgets to meet we can recommend ways to achieve your dream wedding, without compromising your budget or vision for your wedding day.

### **Stress**

Planning a wedding from the other side of the world can be hard work. We are available to assist in any way we can. This includes providing independent advice, which sometimes cannot always be obtained from friends and family.

### **Have you remembered everything?**

Sometimes things may not necessarily run as smoothly as you may anticipate on your wedding day. wedding planner is experienced to ensure everything is taken care of and nothing is forgotten or overlooked. Through our experience we can make your wedding become the magical day you dreamed of.

A wedding planner is sometimes a small investment. Recognizing that everyone's dream wedding is different, our job essentially is to identify with your dream and make it a reality.
